WELDED CONTINUOUS FRAMES AND THEIR COMPONENTS

BIBLIOGRAPHY

This Bibliography contains published and unpublished technical reports that have been issued on the project "Welded Continuous Frames and their Components" sponsored jointly by the Welding Research Council and the Department of the Navy with funds furnished by the following:

American Institute of Steel Construction
American Iron and Steel Institute
Institute of Research, Lehigh University
Office of Naval Research
Bureau of Ships
Bureau of Yards and Docks

Fritz Engineering Laboratory
Department of Civil Engineering
